Los Angeles, California 90012

Dear Supervisors:

**ACCEPT 2012 URBAN AREA SECURITY INITIATIVE GRANT FUNDS  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

This is a joint recommendation with the Sheriff and the Fire Chief that the Board accept the County's allocation of the 2012 Urban Area Security Initiative (UASI) Grant. The Urban Area Security Initiative Grant enhances the capacity of State and local agencies to respond to incidents of terrorism as well as natural disasters. The enhancements are provided through coordinated training, exercises, equipment acquisition, and technical assistance.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Accept \$11,492,186 in 2012 Urban Area Security Initiative Grant funds from the Department of Homeland Security as distributed through the Los Angeles/Long Beach Urban Area;
2. Authorize the County's Purchasing Agent to proceed with the solicitation and purchase of the capital assets which are in excess of \$250,000; and
3. Delegate authority to the Chief Executive Officer, or his designee, to sign and execute the subrecipient agreement with the City of Los Angeles and all future amendments, modifications, extensions, and augmentations as necessary.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Department of Homeland Security's (DHS) Office of Grants and Training has released Urban Area Security Initiative (UASI) grant monies to selected jurisdictions, including the Los Angeles/Long

Beach Urban Area (LA/LBUA). The local grant award is administered for this area by the City of Los Angeles (City). The LA/LBUA, which includes the County, the Cities of Los Angeles and Long Beach, and 26 other participating jurisdictions, received a 2012 UASI Grant award which totals \$50,701,684. The County's portion of the 2012 award is \$11,492,186 and is detailed in Attachment A. These grant funds were allocated to address the unique equipment, training, planning, and exercise needs of large urban areas associated with addressing threats or acts of terrorism.

### **Implementation of Strategic Plan Goals**

The recommended actions support Goal 1, Operational Effectiveness, of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

This grant is fully funded by DHS through the California Emergency Management Agency (Cal EMA). There is no matching fund requirement or impact on net County cost.

The following County departments will receive funding for specific projects as detailed in Attachment A: Chief Executive Office/Office of Emergency Management (\$555,000), Health Services (\$417,474), Public Health (\$609,000), Sheriff (\$8,556,317), and Fire (\$1,354,395).

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

CalEMA has provided the Los Angeles County Operational Area with specific guidelines for the administration, management, and utilization of the UASI Grant. These guidelines detail all activities and expenditures that are eligible for reimbursement.

### **CONTRACTING PROCESS**

The subrecipient agreement with the City will be entered into and administered by the CEO under delegated authority as approved by the Board. Prior to execution, the agreement will be reviewed and approved as to form by County Counsel.

The acquisition of capital asset equipment costing over \$250,000, as identified in Attachment A, is under the statutory authority of the County's Purchasing Agent and will be requisitioned, solicited, and purchased in accordance with County Purchasing Policies and Procedures.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

This grant provides funding to the County for planning, equipment, training, exercises, and program management and administration for emergency prevention, preparedness, and response personnel. The UASI grant will have a positive impact on current services by improving and enhancing the County's ability to mitigate threats and incidents of terrorism.

### **CONCLUSION**

Upon the Board's approval, please send a copy of the adopted Board letter to the Chief Executive Office (County Disaster Administrative Team) for processing.

Respectfully submitted,

WILLIAM T FUJIOKA
